<b>Comments</b>	<input type="text" value="Oxford United is a huge community asset and this is the only viable site that has been found. The negative effect on the wider Oxford Community far outweighs any other concerns that have been raised - once the club becomes unviable there is no coming back. The club needs its own stadium to encourage investment which will in turn will positively impact the economy on social wellbeing of the city and local surrounding in north Oxford and Kidlington. This is a golden opportunity, don't let short sightedness get in the way"/>
