Comments	<input type="text" value="I am writing to ask you to support the stadium application, my whole family have supported United since headington united days. The county needs a stadium for the community and for generations to enjoy.
This site is ideal for this transport links both on road and rail and we could build a stadium to be proud of. Just look at this photo all ages enjoying the day out. Youths kept off the streets and given focus.
Please do the right thing for Oxfordshire and support this application."/>
