<b>Comments</b>	<input type="text" value="I grew up in Headington, but now live in Northern Ireland. I return to Oxford in a regular basis to see Oxford United play. The Kassam Stadium is a joke. Unfit for purpose and an embarrassment. Appalling transport links, run-down, dreadful catering, disgusting toilets. I could go on, but you get the picture. The new stadium will provide fantastic facilities- and will finally give the club, the city and the county a sports stadium to be proud of. Without the new stadium, the club will die. The council must approve this application."/>
