Comments	<input type="text" value="Having left the area as a 9 year old in 1985, I have come back every other Saturday during the football season to support Oxford United.
The area needs this stadium , for the first time we have owners who can afford the development a development that will be here long after they have gone , the area will benefit from new jobs and a world class facility that will be used all year round.
I look forward to taking my seat with my son who was born in Cheshire who comes to the matches with me"/>
