Comments	<input type="text" value="I am writing today too express my support of the planning application for Oxford untied's new stadium, this permission if not granted will potentially spell the end of Oxford untied football club and they're over 100 year history, the club means so much too the people of Oxford. being the only professional football club in Oxfordshire if the club was too fold it would ruin accessibility too football in Oxfordshire it would reduce the number of children in the county who are interested in football in the county. Oxford united also run sports groups for disabled people who enjoy sports groups provided by the facilities of Oxford united . Please accept this planning application and protect the future of our club, Oxfordshires club a club that is loved so dearly by many for over 100 years. The facilities will be beneficial too everyone in Oxfordshire ensuring we had a professional team still in the county and protecting the county's accessibility too football."/>
