<b>Comments</b>	<input type="text" value="I don't want the stadium in Kidlington. I don't like football and wouldn't make use of stadium facilities. As I won't benefit from the stadium I feel upset that I am likely to encounter on match days , being stuck in traffic jams, wasting time and fuel. Or avoiding travelling on match days, in short arranging my life around match days.&lt;br/&gt;&lt;br/&gt;I worry that an increase in the number of cars parked at Oxford Parkway on match days will lead to an increase in the cost of charging and that football fans will decide to park in residential areas. This will add to traffic congestion and potential friction.&lt;br/&gt;&lt;br/&gt;I can't see that the stadium will enhance the natural environment. A few planters with stunted trees will nor recompense the loss woodland."/>
