Comments	<input type="text" value="Let's keep our beloved football club alive. We can hopefully finally break ties with Kaam. At least the council can do is let this go ahead after what they let Kaam get away with for all these years. For over 30 years that I have followed Oxford home and away I have meet some amazing people. Without football life can be a very lonely place. It brings all walks of life together to enjoy something they all like. It's like having an extended family,something to take your mind away from the world. Please support this."/>
