Comments	<input type="text" value="I am completely in support of this proposal for a new stadium, it will bring benefits for all of Oxfordshire and especially the local population. As a young adult female, I think the local area needs this amazing facility - why would we say no to such a brilliant investment opportunity. I have been to many stadia where large crowds have been safely dispersed after an event, there are so many ways of doing this, it really shouldn't be an issue."/>
