

Comment for planning application 24/00539/F

Application Number	<input type="text" value="24/00539/F"/>
Location	<input type="text" value="Land To The East Of Stratfield Brake And West Of Oxford Parkway Railway Station Oxford Road Kidlington"/>
Proposal	<input type="text" value="Erection of a stadium (Use Class F2) with flexible commercial and community facilities and uses including for conferences, exhibitions, education, and other events, club shop, public restaurant, bar, health and wellbeing facility/clinic, and gym (Use Class E/Sui Generis), hotel (Use Class C1), external concourse/fan-zone, car and cycle parking, access and highway works, utilities, public realm, landscaping and all associated and ancillary works and structures"/>
Case Officer	<input type="text" value="Laura Bell"/>
Organisation Name	<input type="text" value="Robert Bouse"/>
Address	<input type="text" value="133 Merewood Avenue,Sandhills,Headington,Oxford,OX3 8EQ"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="1. New stadium will be the first all electric football stadium in the country.
2. I currently drive alone to the Kassam stadium as there are no direct public transport links. If the new Stadium existed today I could catch 700 bus from Thornhill Park & Ride to Kidlington Parkway. OUFC have committed to a major increase in fans using public transport at The Triangle
3. OUFC already carries out significant, non football related, work in the Community. The new stadium will enable this to expand.
4. New stadium will be a new local resource for Kidlington residents.
5. The current scrubland will become an enhanced green space.
6. OUFC will provide support & expertise to local sporting clubs using Stratfield Brake.
7. Oxfordshire & surrounding counties benefit from having an elite level professional football club, both economically & culturally. Thousand of lives would be impoverished without one"/>
