With OUFC's current owners a once in a lifetime opportunity exists to build a world class stadium befitting the city of Oxford. The stadium would provide a state of the art new home for the club and a Community Hub and facilities for the people of Kidlington and the county.<br><br>If CDC/OCC do not support the club's needs and approve this planning application the county will miss out on this opportunity and the future of the club and its contribution to Oxford life could be extremely bleak.<br>Regards<br>Alan Wright"/> |
