<b>Comments</b>	<input type="text" value="I would like to indicate my support for the planning project. Although I no longer live in Oxfordshire, the football club remains my main way of staying connected to my hometown. I therefore believe it is imperative for the long-term future of Oxford United to be secured through the building of a new stadium. This new stadium would ensure that Oxfordshire has the world-class sports venue it deserves. Additionally, I believe that the location of the new stadium will bring benefits in terms of sustainability. It would be much easier for me to travel to the new location using public transport than it currently is."/>
