<b>Comments</b>	<input type="text" value="Although I am not a physical supporter of Oxford United I do enjoy hearing of their ups and commiserating with their downs. I would happily support the club's application to build their stadium in Kidlington. From my understanding the club's plans include the provision of amenities and leisure area which I would consider a definite bonus. Also I think the youth in the area would glean a great deal of benefit from this project."/>
