Comments	<input type="text" value="Our city needs this to happen. Not only from a progressive standpoint, but from giving the whole county hope and a reason to be excited for the weekend, to socialise and just have fun. Going to the football has given me and countless friends and family precious memories and I'm not sure where I'd be without it. It's more than just a stadium - it's the club and hope for not only my generation but those who are older and those who are yet to come"/>
