| Comments | <input type="text" value="This proposal is instrumental in keeping Oxford United as local, prosperous, successful and community based football team. The looming of deadline of leaving the Kassam Stadium is getting closer and we must protect our Oxford United. We can not go the way of Wimbledon and others by having a home away from Oxford. This club promotes community projects, supports the youth of the city and should be encouraged to prosper. I support the move to Kidlington and encourage the city to get behind these proposals."/> |
