Comments	<input type="text" value="This stadium approval is crucial to the future of the club and supporters. Oxford United are an integral part of life in the city and county of Oxfordshire and have been so for many years. Without this stadium the club may be in danger of folding without a home in which to play.

Failure to sanction this stadium will impact adversely on thousands of supporters such as myself (for over 70 years). Please allow the proposal to go ahead."/>
