<b>Proposal</b>	<input type="text" value="Erection of a stadium (Use Class F2) with flexible commercial and community facilities and uses including for conferences, exhibitions, education, and other events, club shop, public restaurant, bar, health and wellbeing facility/clinic, and gym (Use Class E/Sui Generis), hotel (Use Class C1), external concourse/fan-zone, car and cycle parking, access and highway works, utilities, public realm, landscaping and all associated and ancillary works and structures"/>
<b>Case Officer</b>	<input type="text" value="Laura Bell"/>
<b>Organisation Name</b>	<input type="text" value=""/>
<b>Name</b>	<input type="text" value="Rocio Valverde"/>
<b>Address</b>	<input type="text" value="46 White Way,Kidlington,OX5 2XA"/>
<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="I would like to express my objection to this proposal. I don't think a stadium merits the destruction of the green belt.&lt;br/&gt;&lt;br/&gt;I am extremely concerned about traffic. Oxford's traffic is already a mess. We have to be realistic and accept that most football fans will travel using their own cars and will most likely won't use the park and ride. How can you actually mitigate the traffic chaos? Expecting that the fans use public transport is not a plan.&lt;br/&gt;&lt;br/&gt;I am concerned about the noise. It does not seem like you'll be able to contain it.&lt;br/&gt;&lt;br/&gt;If approved, it will be a huge disruption to the Kidlington residents."/>
