<b>Type of Comment</b>	<input type="text" value="Objection"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="I am objecting to the OUFC stadium being build in Kidlington.&lt;br/&gt;Don't want to see more traffic/ road closures. With only 184 parking spaces that means fans will be parking down roads near to the stadium.&lt;br/&gt;Football fans home and away making trouble in the area. Noise on match days. Litter.&lt;br/&gt;The area is full of nature and lovely willow trees that are used by a local company. The nesting site for animals will be gone. OUFC have not gone about this application properly with several contradictions in the process.&lt;br/&gt;Not sure why they need a large stadium anyway when they never get a full house at the Kassam.&lt;br/&gt;Why cant they stay where they are??&lt;br/&gt;Have they asked to stay ????&lt;br/&gt;If its build who is going to buy our house if we decide to move? OUFC ??? House prices will go down as people are not wanting to buy houses near a stadium also if they decide to close roads on match days.&lt;br/&gt;People who seem to want it to be build do not live close. Some live miles away so it doesn't matter to them .&lt;br/&gt;You have to listen to the local people who's lives are going to change for the worst if its build."/>
