I personally believe this application has got to be ticked for approval as soon as possible. Oxford United is a family within its self. It is known with the football world up and down the country. It holds history, from starting as Headington United, promotions through the leagues (also relegations!!) with a League Cup win and the " very="" we="" would=""/> This is a once in a lifetime chance to fully stamp Oxford and Oxfordshire in the world of sport on the map. The benefits are huge to locals and Oxfordshire. I couldn't imagine the impact of not getting up on a Saturday morning buzzing to get to the game. The social aspect of this game massive. Families and friends come together for one thing, to see their team, Oxford United play football. I have 2 girls. My eldest is 18. She was 3 when she came with me to her 1st game. At 5 she had her 1st season ticket and still holds one. My youngest is 13 and she is exactly the same and we have had our seats since what seems to be forever. To take this away from the 3 of us would be devastating. Please tick the box and give us the green light so hopefully my girls will be able to take their kids to support their local team."/>
