<b>Comments</b>	<input type="text" value="As a Lifetime Supporter of Oxford United for over 60 years and Season Ticket Holder, I wish to give my full support to this Planning Application for the following reasons.&lt;br/&gt;1- Oxford United need a permanent home it can call its own ,to prosper and develop. A larger Stadium is a must to success in the hopeful promotion to the Championship and Premier League.&lt;br/&gt;2- The proposed new Stadium will be the first Electric Eco Friendly Stadium .The stadium design and Infrastructure detail address the requirements of Local and Government policies ,together with Transport connectivity to the ground on match days .&lt;br/&gt;3- The Stadium complex will bring much economic benefit to the Kidlington area with its proposed Hotel and Leisure facilities.&lt;br/&gt;4- Proximity to Water Eaton Rail Station and dedicated Special bus service means car usage should be reduced for locals.. I for one will use the bus on Match days .&lt;br/&gt;5- The Triangle land has at present No defining Purpose. After Years of Searching for an appropriate site knowing the 25 year lease under Mr Kassam's tenure was up It is the only viable option left for a New Modern Stadium. The fact that Oxford County Council have granted a Lease agreement shows it understanding that the Club require a New Home to prosper and move forward.&lt;br/&gt;I therefore give my full backing to the Application to be successful . Many Thanks KEVIN NORTH"/>
