| Proposal | <input type="text" value="Erection of a stadium (Use Class F2) with flexible commercial and community facilities and uses including for conferences, exhibitions, education, and other events, club shop, public restaurant, bar, health and wellbeing facility/clinic, and gym (Use Class E/Sui Generis), hotel (Use Class C1), external concourse/fan-zone, car and cycle parking, access and highway works, utilities, public realm, landscaping and all associated and ancillary works and structures"/> |
| Case Officer | <input type="text" value="Laura Bell"/> |
| Organisation Name | <input type="text" value="Sheila Austin"/> |
| Address | <input type="text" value="37 Beech Road ,Thame"/> |
| Type of Comment | <input type="text" value="Support"/> |
| Type | <input type="text" value="neighbour"/> |
| Comments | <input type="text" value="I hope you can support and give planning permission for Oxford United's new stadium, the current landlord has made it pretty clear there is no chance of renewing the lease at the Kassam therefore making the club homeless in a couple of years time. The design of the new stadium takes into account the environmental aspects of todays world i.e. Design, Build, Materials, Nature, Transport. The design is sympathetic with neighbours and surroundings, The build would be using sustainable materials using renewable technology, solar panels re harvesting rain water etc, Nature around the stadium would be given top priority so that it fits in with the stadium, Transport links would be good with Oxford Parkway close i.e. walkable, park and rides around the city with buses direct to the stadium. This is a chance to give Oxfordshire a stadium they can be proud of whilst supporting the long term future of Oxford United."/> |
