<b>Comments</b>	<input type="text" value="I absolutely support this application. It will bring employment and commerce to the area. Oxford United is a community club, tens of thousands of people across the County support Oxford United, no other community asset has that type of support. It's the Councils duty to ensure that it recognises the importance of a community asset that has support of tens of thousands over any objections from the minority of any political party. This decision should not be political.&lt;br/&gt;&lt;br/&gt;As I drive around Cherwell and West Oxfordshire I see a number of housing developments being built, a number of new science park/office developments, they have had no issue with planning so I certainly cant not see a valid reason why there is any issue with this application."/>
