<b>Comments</b>	<p>To Whom It May Concern,</p> <p>I am writing to express my strong support for the planning application 24/00539/F submitted by Oxford United Football Club. The proposed new stadium at The Triangle, just outside Kidlington, holds immense promise for both the club and the local community.</p> <p>Key Points:</p> <p>Securing the Future of Oxford United: A new stadium would provide a secure and sustainable future for Oxford United Football Club. As a fan and resident, I believe that investing in modern facilities is crucial for the long-term success of our beloved club.</p> <p>Community Benefits: The proposed stadium is not only about football; it represents an opportunity to create jobs, boost the local economy, and enhance the overall quality of life for residents. The Triangle development can serve as a hub for community activities, events, and gatherings.</p> <p>Infrastructure and Accessibility: The location of The Triangle is strategically chosen, ensuring accessibility for fans, players, and visitors. Improved transport links and parking facilities will contribute positively to the area.</p> <p>Pride and Identity: A new stadium becomes a symbol of pride for the community. It signifies progress, ambition, and a commitment to excellence. As a resident, I look forward to having a state-of-the-art facility that we can all be proud of.</p> <p>In conclusion, I urge the Cherwell District Council to approve planning application 24/00539/F. Let us embrace this opportunity to shape the future positively, both for Oxford United and for the vibrant community that surrounds us.</p> <p>Thank you for your attention to this matter.</p> <p>Sincerely, George Savva</p>
