Comments	<input type="text" value="This proposed stadium is vital to preserve the rich history of Oxford United over the coming decades. The club desperately needs a new stadium to survive and thrive and is a huge asset to the city and county. Tens of thousands of people enjoy the experience of supporting the club and attending matches during any season. I have followed the club for more than 40 years and my son, aged 11, and his friends also enjoy going to matches and will continue to do so for decades more, as long as we have a suitable stadium as a home. This stadium will enhance the area, benefit the local economy and ensure the survival of a proud and illustrious football club. I urge you to support this application for the community and people of Oxfordshire."/>
