Comments	<input type="text" value="As a supporter of Oxford United and a resident of Oxfordshire, I am writing to express my full support for the proposed development of the Oxford United Stadium in Kidlington.

Without this development, Oxford United could face homelessness by 2026. As a vital part of our community, it is imperative that the necessary steps are taken to secure the future of our beloved football club. I grew up in headington and still remember being taken to the manor ground to watch games as a child. The experience of having such a stadium within the heart of the community was incredible and I hope this can vision can be built on an even bigger level with this stadium plan.

Thank you for your consideration,

Elliott J Powell"/>
