<b>Comments</b>	<input type="text" value="I live between Aylesbury and Bicester,. and have been following Oxford (Headington United), .. home and away..... all my life (and am now 77),.. but do strongly feel that the Club,.. do need help to finally get a home for themselves,.... not having to be part time tenants!.&lt;br/&gt;The Club I am sure is an asset to the City,.. bringing in many people from near and far, which in turn help local businesses economies,.. and this project would also help tremendously with local need for social activities for the city and surrounding areas !.&lt;br/&gt;Depending on the future of the existing Stadium,.. this would allow an extra base for social / sporting activities at the other end of the City Boundary!.&lt;br/&gt;I therefore support the proposed application,.. as stated above.... 24/00539/F"/>
