<b>Comments</b>	<input type="text" value="I support this application as I believe that Oxford United is a vital part of Oxfordshire and it needs to be able to continue for future generations. Generations of families have followed Oxford United and it means so much to the people of Oxfordshire. This development would bring many employment opportunities for local young people and Oxford United supports the communities of Oxfordshire in many ways. It would be a huge shame if the football club is no longer able to continue and these opportunities were lost."/>
