<b>Comments</b>	<input type="text" value="I am writing to express my full support for Oxford United's proposal to build a new football stadium in our community. The club's commitment to environmentally friendly practices is commendable and aligns perfectly with our shared values of sustainability and progress. This stadium will not only benefit the local economy but help bring top level sport to our county which is something we deserve. I urge the council to grant planning permission as it will show your support to the people of Oxford"/>
