Comments	<input type="text" value="I support the new Oxford United stadium. I've recently moved to Radley and would love to be able to travel to games on the train and not need the car like many others in the area. Without a new ground we may not have a club and for thousands that would have a devastating effect on lives and mental health. Live sport is a great way to relieve stress and worries of daily life and escape the day to day troubles we all have. Not having a professional sports team in a Oxfordshire is unthinkable. Do the right things and help this over the line and the local businesses would flourish. #COYY"/>
