Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="A new stadium in the triangle is a fantastic asset for the club, community and puts Oxford on the map as a a forward looking and modern city within the U.K.
A new stadium in this area invites more supporters into Oxford due to its excellent transport links, which brings more trade for local companies.
In my opinion the new stadium is a no brainer. It is just what is needed in our great city."/>
