Comments	<input type="text" value="As a supporter of Oxford United for over 55 years and a Season Ticket holder since 1997 and a resident of Abingdon East, I am writing to express my full support for the proposed development of the Oxford United Stadium in Kidlington.

Without this development, Oxford United could face homelessness by 2026. As a vital part of our community, it is imperative that the necessary steps are taken to secure the future of our beloved football club.

Therefore, I urge you, as a council, to consider and support the football club and its supporters in their desire to build a new ground and leisure facilities at the 'Triangle' near Kidlington. By doing so, you can facilitate the next stages of Oxford United securing a permanent home where it can thrive for generations to come.

Your support in this matter is crucial, and I encourage you to represent the interests of the community by backing the Oxford United Stadium development."/>
