| Comments | <input type="text" value="I am a life long Oxford united supporter and I fully back the new stadium. I have lived in Oxfordshire all my life, and one thing we have always lacked is a decent stadium for the whole community to enjoy. Its not just about football, there is so much more on offer from this proposal. It would, in my opinion, be mad not to proceed with the new stat of the art stadium. The club needs it, tge community needs it."/> |
