<b>Comments</b>	<input type="text" value="I would really support the construction of the new stadium as proposed. I think the benefits to the whole Oxford community are great - I like the Stadium's green credentials, I think it would provided needed jobs for the area, I like the focus on partnerships.&lt;br/&gt;&lt;br/&gt;It would be a positive thing for the community. Also as an Oxford United supporter, the club brings so much to the city and the surroundings in terms of business and investment whenever there is a home game - this would be a positive addition. Oxford need somewhere to call home - and the proposed site seems a sensible and sustainable approach.&lt;br/&gt;&lt;br/&gt;Please back the proposal."/>
