<b>Comments</b>	<input type="text" value="We, the Dunn family are the 4th generation of supporters and season ticket holders, and have lived in the Cherwell district as a family since 1939. We would like it to be known that we fully support this stadium application for planning consent as we believe that it will benefit not only the club and its supporters but the whole area. Being ,as it would be ,adjacent to a main transport hub would enable many supporters including ourselves, and local people to use buses and trains to attend games and other intended functions ,particularly as a major aim is to be community inclusive. It would at the same time provide a much needed world class sporting and social facility. Barry Dunn and extended family."/>
