I am a season ticket my 9 Yr old son has been a season ticket holder for the past 3 years this football club is the blood of many thousands of fans up and down the country . We need your HELP in helping us achieve our future as of 2026 as we all know that we are no longer be playing at the Kassam when the lease ends. This is the only professional club in the area it's a community on a Saturday afternoon and Tuesday evenings when we look forward to a few hours out and travelling to other areas of the country to watch our beloved OUFC. The new stadium will not only just secure the future of OUFC but will also be the hub of Oxfordshire and generate hundreds of jobs in the area and would also bring lots of visitors to Local businesses and would thrive due to the new stadium into the county. Please Vote YES and secure our future without the YES vote thier will be NO OUFC.
Thanks for reading."/>
