| <b>Comments</b>           | <input type="text" value="I am writing to offer full support the proposed Oxford United (The Club) Stadium development.&lt;br/&gt;I believe the club has gone to great lengths to benefit not only themselves but the greater Oxford and Oxfordshire community.&lt;br/&gt;I believe it can act as a Sport, Entertainment and Business hub for both the local and greater Oxfordshire communities.&lt;br/&gt;The club has clearly built in sustainability to the project from the outset with the plan to be the first all electric stadium in the UK and with its location near public transport infrastructure.&lt;br/&gt;Oxford United are a great asset to Oxford and Oxfordshire and there future viability is clearly linked to having a permanent home and this project is in no doubt the best option for Oxford United and Oxfordshire.&lt;br/&gt;I personally can see no reason why this proposal should or would be objected to or rejected by anyone unless they believe Oxford and Oxfordshire is better off without Oxford United and no proposal would satisfy them."/> |
