<b>Comments</b>	<input type="text" value="Hello. I'm an Oxford United supporter and have been since I was 14 years old. I'm nearly 64. I have been a season ticket holder in the past but work commitments in the last 10 years have made this not a viable option and the Kassam is so difficult to get to unless you have a car and then that's not a pleasant experience trying to park etc. I live in Yarnton and would become a season ticket holder overnight if new stadium is approved. My 4 daughters all live locally and I have 11 grandchildren of which 9 are boys and the eldest boys are massive fans of Oxford United and they all will come with me. The whole area would benefit from this lovely stadium plan. Employing hundreds of people and creating a wonderful venue for sport and social activities for Oxfordshire. It's within a stone throw of parkway rail station and the A34 M40 etc. it's been my dream for something like this to happen for Oxfordshire and Oxford united. Please help us make this dream become a reality. Very best regards. Mark Howkins. Yarnton Oxford"/>
