| <b>Comments</b>           | <input type="text" value="I have lived in Kidlington for many years. I am a keen football supporter, but I wish to object to OUFC's plans to build a football stadium on The Triangle, Kidlington, which I believe to be a bad choice of site.&lt;br/&gt;&lt;br/&gt;I am very concerned that proposals are still being put forward for closing roads between Kidlington and Oxford or diverting traffic on match days at the proposed stadium. These would mean that the main route from Kidlington to Oxford could be shut regularly for long spells, which would affect emergency services and visits to hospitals as well as everyday traffic - the roads around here are already very congested, and planning to make them even busier on a frequent basis cannot be a good idea, particularly as OUFC are talking about holding various events as well as football matches on the proposed site. Additional pollution and deterioration in air quality are also issues of concern.&lt;br/&gt;&lt;br/&gt;The question of parking for both home and away fans does not appear to have been addressed properly. It looks inevitable that extra cars will be looking to park in Kidlington, causing more congestion, inconvenience and pollution for village residents. I would also object to possibly requiring a permit or not being able to park outside my own property!&lt;br/&gt;&lt;br/&gt;I would appreciate your considering these issues when the application is discussed.&lt;br/&gt;&lt;br/&gt;Thank you.&lt;br/&gt;&lt;br/&gt;Robert Bruce, Resident of Kidlington"/> |
