Comments	<input type="text" value="I'm only 16 years of age and my dad always told me about the manor ground, Watching players Like Joey Beauchamp, How You would sit and be level with the pitch. There was connection with the players.

All I've ever known is the Kassam, Cursed and not our home Friez Kassam, Couldn't be bothered to build the stand and we've been mocked about it for years, And yet it's still not our ground. We're being kicked Because our lease is up.

We need our own place so we can play all football, Whenever we want not around the lease agreement.

To have our own home would be life changing for so many of us not only me. It gives us security and safety of our football club which we go weekend and week out to support.

Support our stadium for the future of Oxford United, And for the future of our community"/>
