<b>Comments</b>	<input type="text" value="Five Mile Drive is already used as a rat run, and getting on to the Banbury Rd when busy is impossible.&lt;br/&gt;The road to Kidlington with the new builds and railway is a nightmare already.&lt;br/&gt;Should the Golf course be developed in the future, the infrastructure will collapse.&lt;br/&gt;The children's football at the week end causes real parking issues in Five Mile Drive and surrounding roads without more parking issues.&lt;br/&gt;We have already had an increase in foxes and other wildlife as the work on the A34 has displaced their habitat, we are slowly being hemmed in on all sides.&lt;br/&gt;Without complete overall of the roads first, they are in danger of collapsing . The whole area has already faced major upheaval and pollution is getting worse."/>
