Comments	<input type="text" value="I writing this to ask the planning committee to accept and grant Oxford United football club planning permission for a new stadium. As a support of the club for nearly 25 years this is the best opportunity this club has had in my lifetime to fulfill its true potential. This stadium would be in an location with excellent links to public transport not just for football but for community benefit also, this is a huge opportunity not just for the football club but for the Oxfordshire community to have a setting to be very proud of. I ask the planning committee to look at the bigger picture and not only grant Oxford united this opportunity but the Oxfordshire community also."/>
