Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="My wife and I fully support this application. Oxford are in desperate need of a new home! CDC have the opportunity to add a world leading green stadium which can be a beacon for the up and coming youngsters across Oxfordshire. Obviously there are always some areas where locals will vent about it, but it's literally every other week, placed next to a train station and massive park and ride. It's the perfect location!!!

Please vote yes!"/>
