<b>Comments</b>	<input type="text" value="I write in support of the application. It is imperative that a new home is sought for a football club which brings so much joy to so many. It has been clear for some time that the existing home will not be available to the club from 2026. I am in favour of its choice of location and feel that it will deliver many benefits to local residents, not least the opportunity to have state of the art facilities on the doorstep which will support grass roots clubs."/>
