| Comments | <input type="text" value="Hi I think that the city and county deserve to have a football ground which is owned and run for the people of oxford who can be proud off. And the kassam is not suitable and is in need off refurbishment. Having the ground near Kidlington with access to the A34 and rail links us a know brainer.And also it will bring alot if benefits to the people of Kidlington and help will to rejuvenate the high which it needs ."/> |
