| <b>Received Date</b>      | <input type="text" value="I believe the future of the clubs existence depends on the outcome of this decision. No ground, in all probability will mean no club. We have no option to stay at the Kassam. To have a world class city without a professional football, imo, would be a world class embarrassment. The design has been well thought out and is aesthetically pleasing, unlike most of the grounds i have visited (inc. The kassam). The City of Oxford needs this facility, from a prestige point of view, in addition most local businesses will benefit financially."/> |
