<b>Comments</b>	<input type="text" value="As chairman of an Oxfordshire youth football club, I can advocate for the necessity of a professional team based within our county. If this plan at the triangle fails, I fear the club will cease to exist or have to relocate out of the county. This would undoubtedly impact the participation levels at grassroots levels. The many benefits, but not limited to positive impacts on mental health, physical fitness, teamwork would therefore be reduced within our community should this plan be rejected.&lt;br/&gt;&lt;br/&gt;I would also like to comment on the positivity of the environmental policies within the plans, it would show the county as a leading figure on sports facilities and community spaces, utilising the impressive environmentally friendly designs that have been included. I'm also pleased to see the use of existing infrastructure of public transport, which is a huge improvement from the clubs current location.&lt;br/&gt;&lt;br/&gt;Overall I strongly approve of the plans put forward by Oxford Utd FC.&lt;br/&gt;&lt;br/&gt;Paul Carter"/>
