<b>Comments</b>	<input type="text" value="I am writing in support of Oxford United's application to build a new stadium. I believe it is essential that Oxfordshire residents have their own professional Football team. Football brings communities together and helps to create a sense of belonging and connection to residents of Cherwell and the rest of the County. Oxford United has a good track record of working with local communities and would provide opportunities especially to young aspiring athletes. With out Oxford United the County would be a lesser place. The Club would also bring income and employment to the local area. I live in Oxford."/>
