Comments	<input type="text" value="I fully support the building of a new stadium for Oxford United. Having been a supporter of the club for over 60 years since the days of the London road ground. It is long overdue that the club should have its own stadium that the County can be proud of. The current grounds lease is due to end in 2026 and would leave the club without a home which would be unthinkable. Should the club's proposal be rejected this would be devastating for the many thousands of fans who have loyally followed the club for years. Jozef Swierczynski."/>
