<b>Comments</b>	<input type="text" value="I urge the Council to support this rare opportunity to construct an up to date football stadium which will be a credit to the city of Oxford in accommodating the only football team in the county with football league status.&lt;br/&gt;The development will also provide additional facilities to the local community, thereby providing extra amenities, which are currently minimal, to the county of Oxfordshire.&lt;br/&gt;This is a great opportunity to increase the status of Oxford as a football team, and comes at a time when they are chasing hard to enter the national Championship league which would greatly assist Oxford as a football team and provide additional national focus for the city of Oxford.&lt;br/&gt;Please give every consideration in your deliberations over the present planning application and conclude with approval of the scheme that can only result in an asset to the local area."/>
