Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I fully support this application. I feel it is extremely important permission is granted to Oxford United for the new stadium. This stadium will bring so much to the surrounding area along with the county of Oxfordshire with home and visiting supporters who will come to eat and drink in the local area before the game. It will also bring an opportunity for a significant amount of jobs in the area."/>
