Comments	<input type="text" value="I wish to add my support for the building of a new football stadium at the triangle near kidlington. It would be a great benefit to the local area, for young people, schools and to have a future for our great club oxford united. It would benefit local employment, pride in our city football team . The university has so much influence in this town it would be great to have our own sports stadium to be proud of.

I support the planning application.
